Se realiza acción sobre el elemento: By.xpath: //div/button[@id='alertButton']

The screenshot shows a web application interface. On the left is a sidebar with a menu containing 'Elements', 'Forms', 'Alerts, Frame & Windows', 'Browser Windows', 'Alerts', 'Frames', and 'Nested Frames'. The main content area has a header with a BrowserStack logo and text: 'BrowserStack makes testing on iPhone 14 super easy. Access now on our real device cloud'. Below the header are four buttons, each with the text 'Click me'. To the right of the buttons is a modal window with the title 'BrowserStack makes testing on iPhone 14 super' and a 'Click me' button. At the bottom of the main content area is a banner for 'Java Library for DOCX Files' with a 'Download' button.
